Nathnael Ashenafi

Virtual Assistant & Junior Frontend Developer

I'm a Computer Science student and aspiring Frontend Developer who enjoys creating clean, responsive, and user-friendly websites. I also have experience in virtual assistance, research, and data organization. I'm a motivated learner who enjoys solving problems, developing new skills, and contributing to meaningful projects.

Experience

Frontend Developer Intern — Codveda Technologies 2026

- Built and improved responsive web pages using HTML, CSS, JavaScript, and React.
- Completed frontend development tasks and solved technical issues.
- Gained experience working on real-world development projects.

Main Leader — Agape Student Fellowship 2022 - 2024

- Led and organized student meetings and activities.
- Worked with a team to plan and coordinate events.
- Developed strong communication, leadership, and teamwork skills.

Education

BSc in Computer Science

Unity University — Addis Ababa, Ethiopia
2024 – Present

HighSchool Diploma

Miraf Academy — Addis Ababa, Ethiopia
Graduated 2024

Projects

Personal Portfolio Website

- Built a responsive portfolio website to showcase my skills, projects, and experience.
- Designed the website with a focus on clean UI and user-friendly navigation.

NexaAI

- Built a responsive AI-themed landing page using HTML, CSS, and JavaScript.
- Focused on creating a clean interface and smooth user experience.
